CUSTOMER TESTIMONIES

MICHAEL – MINSTHORPE COMMUNITY COLLEGE

“ SLT were very meticulous in the planning of the itinerary. They worked with us over numerous phone and video calls to ensure that the itinerary was right for us and they were more than happy to switch things around to suite our needs. All the potential stressful situations on a school trip were made so much less so because of the excellent tour manager that SLT provided. For example: Getting the students through the airport. Finding the coach to take you to the accommodation. Finding the football grounds of your opponents. Dealing with a student who needed medical attention. Getting tickets for a La Liga match.

ANTHONY – BARLOW RC HIGH SCHOOL

“ I ran a GCSE Geography trip to Iceland – my first time as trip organiser for an international visit. SLT made the whole process run smoothly from start to finish. They were always on hand to answer any queries I had in the run-up to the trip. They also provided me with useful material to communicate with parents. Our trip manager, Jess, was outstanding. She was great at communicating with students, organising us all and planning our daily itinerary. She was really proactive in her planning meaning that we always had a range of options to suit our requirements. I would highly recommend SLT – we have already booked our next international trip to Italy with them!

CHLOE – ASTON ACADEMY

“ SLT organised and delivered an excellent Summer sports trip to Chamonix for 135 of our Year 10 students. Communication and organisation ahead of departure was great and during our stay our reps Jess & Rach were brilliant. We did activities including high ropes, whitewater rafting, outdoor swimming, cable car trip and many more. During the evenings we had a BBQ, time in town, disco night, football, cards; there was never something not to do. Our Tour Managers worked tirelessly to ensure we had the best activities on offer and all students had a week away not to be forgotten! We wouldn't hesitate to arrange further trips with the team.

JEMMA – NOTRE DAME CATHOLIC COLLEGE

“ Students had an amazing time whilst we were in France. Organisation and communication when planning the trip was excellent and SLT tours were always happy to help and made sure all the activities were well planned. Our tour guide was amazing with the pupils and interacted well with the group. Amazing trip and we look forward to planning a future sports trip.
